Paula Shepherd of 61 Pizienwell wishes to thank all those kind people of Wateringbury and Nettlestead who kindly sponsored her daughter **Julie**, who is a stroke victim, to do a sky dive on Sunday 14 April to raise funds for the Maidstone Stroke Group. Through their kindness Julie raised £2,000.

APRIL PARISH COUNCIL MEETING

The planning committee would appreciate the opinions of parishioners in relation to planning applications prior to its meeting to help formulate the response to T & M. Please send comments to the Parish Clerk, Redhill Cottage, Redhill. Alternatively come along to the planning subcommittee meeting which follows the monthly general meeting

First Responder Scheme Harry Mallows reported to the Council on his involvement with the scheme. So far he has attended 6 calls, arriving 5-10 minutes before the ambulance. Two were cardiac arrests, others included asthma attacks and one was a fall down stairs. He is fundraising to buy his equipment and Councillor Jean Smith confirmed that she was happy to continue to help with local fundraising. He hoped that others in the village would contact him so a local group can be formed (6 volunteers are needed).

Crime Report Chairman Michael Cayzer read the written report supplied by PCSO Phillip Harrison of the Neighbourhood policing team. *"A number of incidents were reported within the Wateringbury Area; they included a parking issue in Glebe Meadow, vehicles were regularly parking on the pavement not allowing people to walk on the pavement, some warning letters have been issued to drivers. The Palm Sunday parade was attended by police, it went well without any incident; some neighbour disputes were reported during March to the police and some of the issues were resolved. Incidents of anti-social behaviour were at a minimum and there were no arrests. Crime figures are available on the website www.police.uk. Local PCSOs continue to patrol the area and work closely with Neighbourhood Watch and Parish Council."*

Drayhorse Meadow Councillors voted to appoint a contractor to fence off the proposed parking area at the meadow and to appoint a contractor to carry out the essential electrical repairs. They will obtain quotes to upgrade the track between the first and second dog-leg. The Scouts have contacted the Council for a location for them to plant about 30 sapling trees or hedging plants. Councillors suggested that the Scouts plant hedging along the proposed new fence at the meadow.

Sports and Recreational Association Mike Witts reported that a Workforce Weekend has been arranged for 6 and 7 April and volunteers are needed to help. There had been an increase in the number of dog owners who were not picking up after their dogs at the fields. Dog excrement on the fields is unpleasant and a potential health hazard. The Association had applied to T & M Council for special dispensation to reduce the rates on the Sports Pavillion to zero.

Highways and Transportation Joint Parish Councils Transport Consultative Group Charles Stroud had submitted a written report to the council and outlined some of the main points, mainly to do with Kings Hill traffic and its effect on surrounding parishes.

Public Discussion The condition of the village welcome signs at the gateways to the village was raised by a parishioner who volunteered to clean and renovate them. Councillors were happy to accept this offer to enhance the village environment.

Among the other items raised were Council plans for Drayhorse Meadow, the visit of the Police Commissioner on 12 April and blocked drains in Canon Lane and Tonbridge Road.

Planning Directly after the main meeting the following plans were discussed by the Planning Subcommittee:

10 Redhouse Gardens - new porch, conservatory, double garage and removal/alterations of some windows, doors and bricking up: general internal alterations.

23 Waterside Mews - single storey extension to rear of property.

Drayhorse Meadow - removal of condition 7 of consent to allow independent commercial stabling/livery.

The White House, 171 Tonbridge Road - Listed Building Application to replace 1970s single garage with double garage of oak construction with pitch roof of reclaimed clay tiles on the same but extended footprint.

Oast Cottage, 147 Canon Lane - fell yew tree because of excessive shading and structural damage to garden wall.

Members of the public will be very welcome to the next meetings of the Parish Council:

The Annual Council Meeting will take place on **Tuesday 7 May at 7.30pm** in the village hall. At this meeting the Chairman and Vice Chairman will be appointed for the coming year 2013/14.

The Annual Parish Meeting will take place on **Tuesday 14 May at 7.30pm** in the village hall. At this meeting members of the public can question councillors on any relevant local matters in an informal setting.

FRIENDS OF WATERINGBURY PRIMARY SCHOOL (FOWPS)

Registered charity 1038836

We had an 'eggs-cellent' end to Term 4 with an Easter service at Wateringbury Church and an Easter egg hunt in the playground for all the children on the last day before the break. Term 5 has begun with new mini football goals being installed for our youngest children and, if the weather allows, our annual Operation Ground Force jobs day in the school grounds.

Our second annual Golf Day takes place on Friday 14 June at Poulton Wood Golf Centre.. Players wishing to take part can book a place by downloading a form and details from our website at www.fowps.org.uk or by emailing chairman@fowps.org.uk. Places cost £40 per person which includes 18 holes of golf, a one-course meal, competitions and prizes.

The school's Summer Fete will take place on Saturday 29 June with an 'Anyone for tennis' theme as it falls on the middle weekend of Wimbledon.

Gail Isted, FOWPS Chairman

THE FRIENDS OF WATERINGBURY CHURCH

Our thanks to all those who helped to distribute our new leaflets around the village earlier this month. The leaflets should now have landed on the doormat of every household in Wateringbury and include a renewal form for 2013. We hope you will fill it in and become a Friend of Wateringbury Church for the next twelve months. Our fundraising efforts during our first two years have made more than £6,000, which we have given to the church to install a new glass door in the porch. If, for some reason, you haven't received the leaflet, you can download it from our website www.fowc.org.uk, or pick one up at the Post Office or Wateringbury Surgery. Please return the completed form to the Friends' Secretary, Frances English. Her address is printed on the form.

Village fete The Friends will be taking part in the Village Fête which will be held on the Wateringbury Playing Field on Saturday 2 June from 12 noon. We will be hosting the Pimms tent and we are also involved in the raffle. Half of the proceeds of the raffle are to be donated to the Friends to boost our fund – a very welcome contribution. There will be lots of exciting stalls and exhibits at the fête, so come along and enjoy a great day out.

THE WIND IN THE WILLOWS - 11, 12 and 13 July

The Wateringbury Players and children from Wateringbury C E Primary School are now in rehearsal for an exciting new summer production of *The Wind in the Willows* by Alan Bennett. Performances will take place in St John the Baptist Church on Thursday 11th, Friday 12th and Saturday 13th July, 2013 at 7:00 pm (doors open at 6:30 pm). Why not join us in a memorable evening by the river, explore the creepy Wild Wood, and enjoy the excitement of the open road with Toad, Ratty, Badger, Mole and all their friends and creatures of the river bank. We hope to see you there.

Tickets will be available from Wateringbury Post Office and The Handy Stores, Bow Road from week beginning 10th June. Tickets are £8 for all three performances. Thursday performance: £5 concession for children (up to 16 years) and Senior Citizens (available for the Thursday performance only). Celia Pocock email: wateringburyplayers@hotmail.co.uk

WATERINGBURY FOOTPATH GROUP

The next walk is on **Sunday 5 May** when we meet at the Village Hall leaving at 2.30pm sharp for our annual **Bluebell walk** up to Cattering and Hoath Woods. Why not come along and enjoy the sight and capture the perfume of the woods carpeted by bluebells.

Our April walk was to Swanton Valley on Sunday 7 April when on a bright sunny spring afternoon 23 walkers (and a dog) met at Mereworth School for this walk along the Swanton Valley to Mereworth Woods. The walk followed the Wateringbury Stream from the start to the spring fed pond at Swanton Valley, which is the head water of the Wateringbury Stream; we then entered Mereworth Woods at Hurst Wood, passing some woodman's workings along the way. Out of the woods we returned to the start passing Yote's Court along the way. Please note that there will be no walk in June as the Wateringbury Village Fete is on 2 June.

The Yalding and District Beekeepers Second Honey Bee Fayre and Auction on Sunday 12 May 2013 between 10am to 4:30pm –

Riverdale Field, Yalding, ME18 6ES. Free entry and on-site parking.

Live bee demonstrations to show a hive's inner workings, an observation hive Food and drink available throughout the day, a barbeque, ice cream van, face painting, and a raffle. Come and make your very own solitary bee house, or take home a great book all about bees – books available to suit all ages! Lots of stalls too! NETTLESTEAD AND WATERINGBURY PRE-SCHOOL & CLUBS

(Charity No. 1144343)

The last week of term was a very busy and exciting one. Super heroes came to pre-school. We had supermen, batmen, Captain America, Spiderman, the Incredibles and Wonderwoman. The week was spent making super powered weapons, shields, masks and capes. We went hunting for superheros in the woods with our x-ray vision. We had great fun loading and firing our super-sonic potato launcher.

The term ended with a visit by the discovery bus. The children learned about the different environments that animals live in, they were able to explore a night garden with torches, make animal badges, dress up in different woodland animal costumes listen to animal noises, do puzzles, draw pictures, and just enjoy being surrounded by everything woodland.

During term 5 we are going to be exploring science. The term kicks off with volcanoes; the children are going to make their own volcanoes erupt!

On the Staff Development day the Out of Schools club went on a walk along the river to Teston picnic site and adventure playground. The children had a great time climbing, swinging, balancing, and scrambling over all the equipment. We all had a game of football, and timed our friends doing an obstacle course. What a fantastic way to spend one of the first days that felt like Spring, is it here at last?

If you would like to join us please just turn up for a visit or ring on 01622 813120 or email on nettlesteadandwateringbury@yahoo.com

WATERINGBURY SPEED WATCH – WOULD YOU LIKE TO VOLUNTEER?

Speed Watch is an initiative that allows local residents to make a significant contribution to road safety by helping to reduce excessive vehicle speeds on the roads in their communities. The Wateringbury scheme, sponsored by the Parish Council and operated by a small team of dedicated community volunteers was launched about four years ago and is making a contribution to road safety in the village and hopefully this will continue.

Of course, Wateringbury Parish is not alone in its attempt to increase public awareness of speeding and the cumulative effect of the various active teams county-wide will be to reinforce the message. Recently the Police advised that there were around 60 Speed Watch teams active in Kent and the number is steadily increasing and is expected to reach about 100 by the end of this year.

The volume of traffic passing through Wateringbury is exceptionally high for a "village" environment and with far too many drivers showing little respect for mandatory speed limits means a very dangerous situation is created for all road users, pedestrians and the offending drivers themselves. Most residents will be aware of this long standing problem and there is a perception that that such irresponsible behaviour by drivers will continue unless there are frequent roadside checks by the police. Whilst the police will say that roads policing is a fundamental part of their day-to-day operation the recent cuts to their budgets will probably make it unlikely that there will be a significant increase in activity locally or generally across the County in this regard. Nevertheless, following discussions between representatives of the Parish Council and the Police, arrangements are being made for a special roads policing exercise in Wateringbury starting probably in May. This will be funded by KCC from Borough Councillor Richard Long's Special Projects budget.

The support from the Police will be very much welcomed but it will not replace the local initiative which will assume even greater importance. Current volunteers and hopefully reinforced with some new team members will continue to monitor the situation by positioning its Speed Indicator Device within the village at locations formally approved by the police and by so doing further increase awareness and help to improve the safety and quality of life for the local community. Questions are often asked about the success or otherwise of the local team's efforts. Whilst difficult to assess there are signs that those drivers who travel regularly through Wateringbury anticipate a Speed Watch presence and reduce their speed to avoid being "booked". On the other hand there are many who travel much too fast resulting in the details of their vehicles being recorded and the data passed to the Police at Coldharbour. The operation by the Police in Wateringbury starting in May will however mean tougher penalties for drivers breaking the law.

Under the Speed Watch system vehicles observed speeding repeatedly or excessively in a 12-month period are sent warning letters and advice and it is understood that where these warnings and advice are ignored more appropriate sanctions by way of fixed penalty notice or referral to National Speed Awareness programmes may be imposed.

Last year from 1st January to 15th October 5,199 vehicles were recorded travelling above speed thresholds by Speed Watch teams throughout Kent. Wateringbury headed the "Top Twelve" Speed Watch Schemes with 1224 detections (23.5%). Detection rates locally during recent months have continued to run at a high level although the figures on a County basis are not yet available.

If you would like to join the Speed Watch team or would like more information please contact the undersigned.

WATERINGBURY FLOWER CLUB

16 May - Workshop with Linda Clatworthy

In May the club have Linda Clatworthy as their guest who is the previous Kent Area Chairman and she will be giving us a workshop with driftwood for Spring. This should be a fun evening. Work sheets were handed out at April's meeting, but if you missed it, look on our website.

At our April meeting we welcomed Christine Nash to our club. a first visit to us, and her wonderful title Strictly Flowers and also our first club competition for members with the same title.

We look forward to welcoming new members and guests; we are a friendly bunch, come along and give us a try. We meet at Nettlestead Village Hall at 7.30pm Jean Schofield Chairman
Wateringbury Flower Club

WATERINGBURY SPORTS AND RECREATION ASSOCIATION DOG FOULING DOWN AT THE PLAYING FIELD.

Wateringbury Sports and Recreation Association have received complaints from people using the playing field regarding the amount of dogs' mess scattered around the whole area. We implore **all dog owners** to act responsibly and clear up behind their animals. The playing field is for playing sport and recreation and is to be enjoyed by all ages in a healthy environment. We would like you to adopt our simple motto.....

USE IT DON'T ABUSE IT ! Mike Witts (WSRA Secretary)

HISTORY SOCIETY

In May we do not have a meeting in the village hall as we will be holding our annual Buffet and Wine Evening at Boxley Abbey which is for members only.

Our speaker in March was Dennis Chambers who came along to tell us about 'Haunted Pluckley'. Dennis began his talk by telling us how he became involved in 'matters psychic' when he lived in Manchester. Upon moving to Kent in 1967 he continued his investigations within his local area including Pluckley, which is famous for many 'ghost' stories and unexplained happenings, some connected with the Black Horse pub, the local church and with the 'screaming' woods. Dennis told us that 'ghost hunting' could be fun and it is a subject of great mystery and intrigue whether you believe in ghosts or not. Visit the history society site on <https://sites.google.com/site/wateringburylocalhistory/>, for further details.

WATERINGBURY WOMEN'S INSTITUTE

Mr Nick Robinson was the guest speaker at our April meeting. He gave us a talk on the subject of Organic Gardening, which was enjoyed by both gardening and non-gardening members alike. He gave us useful tips on subjects such as vegetable growing, compost-making, and how to garden the organic way, all of which members found very informative.

Our Annual Meeting, together with Resolutions, will be held on 9 May. As in previous years, this will be followed by a silent auction, which should provide a bit of light entertainment once the 'serious business' is completed. Kathy Coates

What's the one thing you DON'T associate with Easter? Yes, snow! But there it was throughout the whole of our Easter Fun Day. Did it matter? Not one bit. We set it all up and you came and had fun. It was a slightly different matter for our cuddly bunnies, who shivered until they got their well-earned cuddles. We weren't so lucky, we just had cups of tea – isn't that discrimination?! We still managed to raise a superb £250, so, once again, a massive thank you for your support and to the committee who shivered their way through. Such was the fun that our Chairman, Sarah Sewell, gave birth that very evening to a rather bonny baby boy – 10lb 7oz! And we thought we worked hard!! Congratulations to Sarah, her husband Tom and their ever-growing family!

As we welcome our little ones back from their hols, this term's Mini Beasts theme sees us trying to carry our homes around with us (the relevant planning permissions were in place..) and making snail sandwiches...wait, no, that's snail-*shaped* sandwiches. There have been many a bug hunt and we've even made a bug house in the garden...so, we're imitating bugs and they're imitating us – wow, that's clever!

Now, somebody else who's rather clever is our friend Cleve West – did I mention Mr West? Not only will we be seeing our new friend on 2 July, but we'll be seeing him at Nettlestead Place! Does it get any better than that?! Thank you and thank you again to Annabel and Roy Tucker for allowing us to use their beautiful home. Take a look at our website (above) or Facebook page for all the details but allow me to tell you how jolly exciting it is!

BENEFICE SUMMER LECTURES

This year the topic of the 3 talks is Psalms, Hymns and Spiritual Songs.

Each meeting will be in East Malling Church and start at 8pm. Do go along to these free evenings which explore different types of music used in worship.

The Healing Ministry of the Church

Some of you will remember the great Missions of the 60s and 70s when people flocked in their hundreds and thousands to be healed by a celebrity evangelist. People were seen to be physically healed, throwing away their crutches and wheelchairs at a stadium or large open air event. I am not sure that the image of Christian Healing was well served by such occurrences. The ministry offered by the church is rarely so dramatic and often has nothing to do with any kind of physical healing.

The Healing Ministry of the church has been well established through the centuries and is of great value to people today who seek help of a varying nature. When we speak of healing it can sound rather odd, "that is not the business of the

church" some might say. It can all seem rather "spooky" or "weird". It is apparent in the Bible that the physical, emotional, social and spiritual well-being of human beings are closely interconnected. The Gospels use the term 'healing' both for physical healing and for the broader salvation that we believe Jesus brings. It should be understood that healing does not just occur at the restoration of physical wholeness but that Christ can meet the human needs in many other ways too.

"The Healing Ministry is one of the greatest opportunities that the church has today for the sharing of God's love with all people. More than before in the last hundred years, many in society realise there is a spiritual as well as physical and mental dimension to healthy living. 'Wholeness' is the in-word: it is what everyone longs for." This is how the introduction to "A Time to Heal" begins (a report by the Church of England to encourage the Healing Ministry within the church and for its partners in healthcare). It reminds us that healing, reconciliation and restoration are integral to the good news of Jesus Christ. For this reason prayer for individuals, focused through laying on of hands or anointing with oil, has a proper place within the public prayer of the Church. God's gracious activity of healing is to be seen both as part of the proclaiming of the good news and as an outworking of the presence of the Spirit in the life of the Church. Equally importantly such prayer should not simply imply that the restoration of physical wholeness is the only way in which Christ meets human need.

However, I am so pleased to inform you all that we have a very full Healing Ministry within our churches of this Benefice. This includes monthly healing services where people are prayed for and the laying-on of hands or anointing takes place for those who wish to receive this. It has proved to be of enormous importance to a small group of worshippers. We also regularly offer prayers for people, or listen, or counsel folk who seek some kind of spiritual input to their, sometimes troubled, lives. As a minister in the Christian Church it is my joy and privilege to offer this ministry to all those who seek God's healing in their lives. The church is always available at times of such need.
